

Electrician's Personal Lockout Kit Now Available thru Rexel!

Brady's Lockout Tag out Kits give you the popular lockout devices and lockout tools you need to create a safe, effective and compliant lockout program. By using the Lockout Tag out Kit, your workers will have the essentials to lock out electrical panels and machines from operation while the machines are de-energized or under maintenance or service.

What is in the Kit?

Pouch contains one each of our most popular circuit breaker lockouts. Covers 120v/277v and 480/600v breakers in single- and multi-pole configurations.
